

RESOLUTION No. 538-21

A RESOLUTION TO ADOPT THE WATER SYSTEM MASTER PLAN UPDATE FOR THE CITY OF DONALD

WHEREAS, in December 1981 an “Operating and Maintenance Manual for 1981 Water System” was prepared by Boatwright Engineering Inc.; and

WHEREAS, at their June 12, 2019 meeting the City Council passed Ordinance NO. 171-2018 amending the text and map of the City of Donald Comprehensive Plan to expand the City of Donald’s Urban Growth Boundary by 87.6 acres; and

WHEREAS, 2019, the latest “Donald Water Master Plan” was created by Curran-McLeod, Inc and adopted by the City of Donald on August 13, 2019; and

WHEREAS, Statewide Planning Goals requires cities to plan and develop a timely, orderly and efficient arrangement of public facilities and services to new urban growth area; and

WHEREAS, at their July 14, 2020 Council Meeting the City Council adopted Ordinance NO. 177-2020 proclaiming the annexation of two properties to the City of Donald and Zone Change, a total of 61.81 acres; and

WHEREAS, in order to provide public water utility facilities and services for the current residents of Donald, as well as, the projected population of the newly annexed area, a new Water Master Plan was completed by Tetra Tech, Inc. the City’s contracted engineers; and

WHEREAS, the Water Master Plan Update includes, among other things, background on the existing water system, water quality and service goals, a projected water system growth to serve the population to 2040, an evaluation of the existing water system, alternatives to correct system deficiencies, recommended water system improvements, water management and conservation plan, seismic risk assessment and mitigation plans, and a discussion of funding programs, as well as a section devoted to appendices, tables, and figures; and

WHEREAS, on July 16, 2021 the City received an acceptance letter from Oregon Health Authority that the Water System Master Plan Update was reviewed and approved.

NOW, THEREFORE, THE CITY OF DONALD RESOLVES AS FOLLOW:

Section 1. This Water Master Plan Update by Tetra Tech, Inc. is hereby officially adopted and included as Exhibit A attached hereto and by this reference made a part hereof.

Section 2. The Water Master Plan Update will serve as a guide for allocation of resources for the improvement and continued development of Donald’s Water System.

Section 3. The adoption of this Water Master Plan Update supersedes any previous Water Master Plans.

PASSED and ADOPTED by the City Council of the City of Donald at their regular meeting on

this 10th day of August 2021 by the vote of 6 ayes and 0 nays.

DATE: August 10, 2021

Rick Olmsted, Mayor

ATTEST by City Manager this 10th day of August 2021.
